

MULTIPLICATION IN A SNAP!

SCAN TO OPEN

NEXT
WEEK**x5**

A little practice. A lot of confidence!

START HERE: Check Friday's quiz for your child's current facts.

Choose ONE practice activity. Spend 5-10 minutes.

Stuck? Use a strategy, find the answer together, and try again.

NEXT WEEK: x5

We are moving to x5 next week! Look for the x5 brochure in your child's Shark Folder.
Complete it at home and return it the following Friday.

OUR MULTIPLICATION FACT CHECKLIST

Read down the left column, then the right. Tap a printer button for practice.

MULTIPLICATION QUIZ EVERY FRIDAY

Didn't pass? Choose to retest Monday to move to the next fact family.

1 BRING IT BACK

Return your completed brochure every Friday.

2 TAKE YOUR QUIZ

Take a short quiz on your current fact family.
A score of 90% or better means you pass!

3 GROW & GO!

Retest Monday if ready.
After passing, get your next brochure and a new flashcard for your ring in class.

PICK YOUR PRACTICE!

Tap a colored button to open the resource.
