

THE SCHLAFF WEEKLY

MRS. SCHLAFF'S FOURTH GRADE

ISSUE 7

OCTOBER 19-23, 2026

COSTUME PARADE!

FRIDAY, OCTOBER 30 - 2:00 P.M.

Our costume parade will travel around the Sayre playground. Families are welcome to come watch!

Students may bring costumes to school and will change **after lunch**.

No masks, weapons, or gore.

Picking up after the parade? Please update **Pikmykid™** **earlier in the day**.

THIS WEEK'S CHECKLIST

- ☐ Review math test in Shark folder
- ☐ Practice $\times 10$ multiplication facts
- ☐ Read multiplication tips flyer

UPCOMING DATES

OCT 23	Pajama Day - Color Run reward
OCT 23	Boo Bash, 6-8 p.m. - DETAILS
NOV 3	No students - Curriculum Day
NOV 13	Half day
NOV 18	Picture Retake Day

MATH

We wrapped up **Module 1 in Eureka Math Squared!** Students took their assessment Wednesday.

The test comes home **Friday in the Shark folder**. Please review it with your child.

READING

We're asking questions before, during, and after reading. Next week: **Unit 2, Week 2!** We'll look for answers in the text and share our thinking.

Ask at home: "What are you wondering about as you read?"

WRITING

In **Unit 2, Week 1 of Being a Writer** (Collaborative Classroom), we've begun preparing a piece for publication! We're revising and editing to clarify ideas, remove unnecessary details, choose stronger words, and improve opening sentences. We also share helpful feedback with partners.

MULTIPLICATION IS HERE!

$\times 10$

We've begun with **$\times 10$ facts!** Students are making flashcards in class. Their $\times 10$ brochure comes home **Friday, October 23**, and is due **Friday, October 30**, when students will take their $\times 10$ quiz.

Please read the flyer for important information, tips and tricks, and fun ways to practice at home!
